Subject: testimony

I just felt impressed to write a brief testimony.

As soon as I received the e-mail regarding the Garage 1K Club, I knew I wanted to be a part and also felt a clarity in spirit that the Lord would have me be a part.

I did not have \$1000 or know where I would get \$1000. And I didn't have \$1000 faith. But the Lord spoke in my heart and said, "Just a give a seed every day." So I made the pledge and gave the first \$100.

And every day after that, the Lord just supernaturally supplied me with another \$100 seed to sow -- and by just sowing the \$100 seed that He supplied each day, I completed the whole assignment in just less than a couple of weeks. To the Glory and Praise of God the Father!

I know that if you need \$2.5 million my little \$1000 isn't really much more than pocket change. But for me, this was a great victory. Praise the Lord.

And I believe that I receive that day when I will be abundantly equipped to sow more than pocket change.
